Breakfast Lū'au DJ

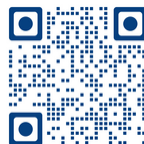

How Does Palliative Care Align with Traditional or Cultural Medicine?

October 10, 2022 | 10am | On Zoom & Facebook Live

Tune in to our free Healthcare Talk Story on Monday, October 10th at 10am! An educational webinar, open to the public, created especially to support those dealing with serious illness and their at-home caregivers. Palliative Care helps those dealing with Cancer, Congestive Heart Failure, Kidney, Liver & Lung disease.

Our guest, Ku'ehu Mauga, Community Advocate, Writer & Popular KWXX DJ from Keaukaha, will share his experience and perspective on growing up with a mix of traditional and modern approaches to healthcare. As a Native Hawaiian, he'll share how that has shaped his understanding of effective, quality healthcare and the ease or difficulty he sees in accessing that care today.

To register!

Scan this QR code with your smart phone camera or go to hawaiicarechoices.org/events to be taken to the registration page before Monday, October 10th.

This presentation will also be streamed on the Hawai'i Care Choices Facebook Page.
